

RHFS GENERAL INDUSTRIAL GROUP

RYAN HERCO FLOW SOLUTIONS

PRODUCT LINE CARD

CERTIFIED TO ISO - 9001 : 2000 QUALITY STANDARDS

www.pall.com

Filter & Separation Systems

World's largest manufacturer. Fluid purification solutions from reusable and disposable cartridge filters to housings, portable filtration skids and turn-key systems. Liquid/Solid, liquid/gas and liquid/liquid separations. Apply to Water, Wastewater, Power Generation, Gas Processing and Refinery processes. **Aria Water Treatment Systems** - Regenerable Hollow Fiber Drinking Water or Pre R.O. Make-Up Water Systems. **Lube, Hydraulic and Dielectric Oil Purifiers.**

Process Measurement & Control

- Flow
- pH/ORP
- Conductivity
- Pressure
- Turbidity
- Level
- Resistivity
- Temperature

www.spiraxsarco.com

- Steam Traps
- Temperature and Pressure Controls
- Clean Steam Systems
- Condensate Pumps
- Heating and Steam Specialties

(Not available in all locations, check with local office)

www.abzvalve.com

- Butterfly Valves - Resilient Seat
- Butterfly Valves - Teflon Lined
- High Performance Butterfly Valves - Resilient and Metal Seat
- Actuators - Pneumatic and Electric

Air Filters

Koch Filter Corporation is a full-time manufacturer of a huge variety of Air Filters for commercial and industrial applications. Koch also handles a large group of specialized applications that include: HEPA filter applications, Industrial Painting and Coating Filters, Hospital Air Filters, Automotive Plant Filters, Office Building Air Filters, Manufacturing Facilities, Pharmaceutical Plant Filters, Schools and Universities.

www.asco.com

- Solenoid Valves - 2-way, 3-way & 4-way designs
- Valve Switch and Positioning Systems
- Pressure Transducers, Indicators and Switches

Water Management Systems

Sand filters, granular activated carbon filters. Automatic back wash for sand and multimedia filters and strainers.

- Service - Our Service Department works in conjunction with our Manufacturers to offer emergency service, preventative maintenance and comprehensive service contracts.
- Skid/Package Systems for Filtration and Separation (Carbon Beds, Micro and Ultra Filtration, Pumps and Controls.)
- Single Source Filter Supplier - Flow Solutions can be your single source filter supplier for all types and brands of filters you use.

Note: Some restriction to product availability may apply. Contact 1.800.547.1033 or www.rhfs.com for more information.

www.wika.com

- Gauges - Processes, Test and Special Purposes
- Diaphragm Seals
- Bi-metal Thermometers
- Thermowells
- Pressure, Transducers, Indicators and Switches

www.parkerseals.com

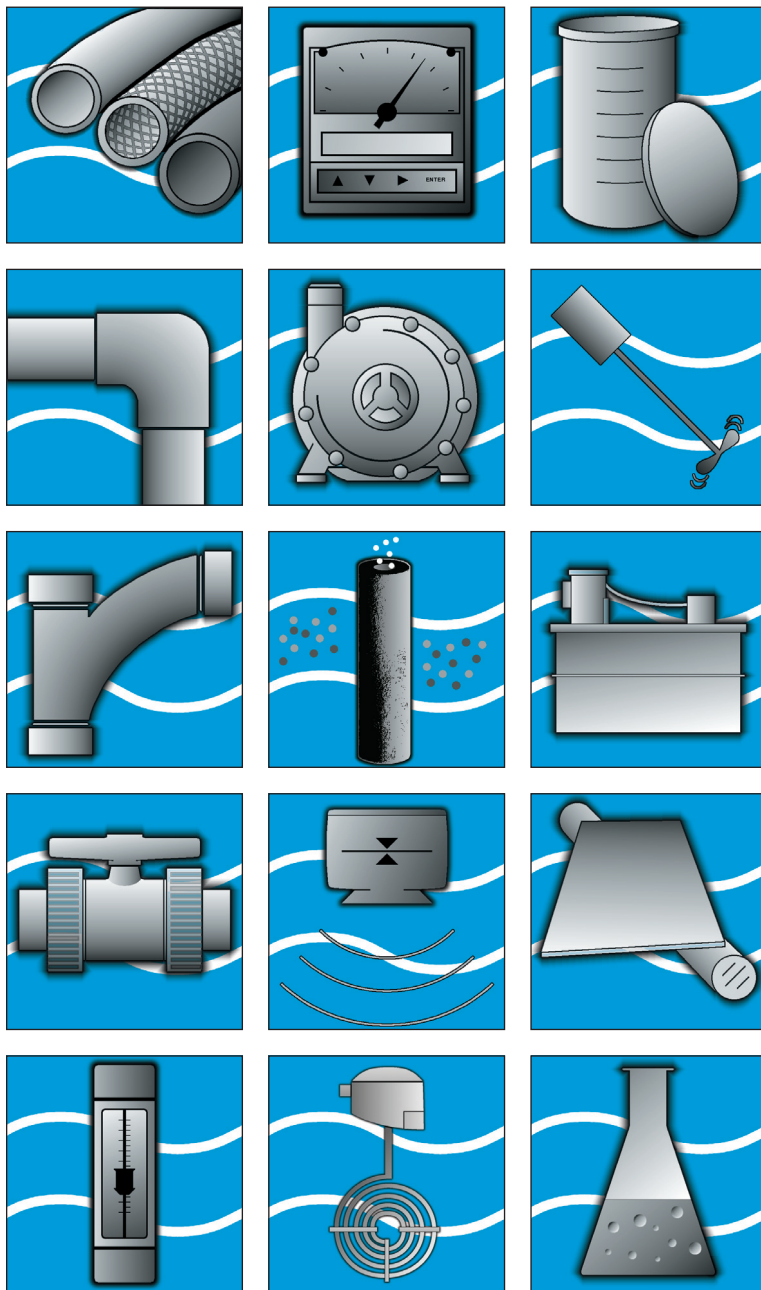

- O-rings and Custom Molded Shapes
- Custom Engineered Static Seals and Components
- Integral, Gask-O-Seals, Fastener Seals
- Hydraulic and Pneumatic Seals
- PTFE Seals

Manufacturer of Compressed Air and Purification Systems

- Refrigerated Air Dryers - Cycling and Non Cycling / 10 - 30,000 SCFM
- Breathing and Medical Air Dryers
- Heatless Regenerative Desiccant Dryers / 3 - 30,000 SCFM
- Externally Heated Desiccant Dryers / 3 - 30,000 SCFM
- Heated Blower Purge and Zero Purge Air Desiccant Dryers / 3 - 30,000 SCFM
- Custom Designed Desiccant Air Dryers for High Temperature, High Pressure, Natural Gas (wet & dry), offshore, Stainless Steel, Complex Electrical Controls and Special frame configurations.
- Compressed Air Filters, Oil Absorbers and Mist Eliminators
- Oil Water Separators and Drain Valves

Corrosive and Ultra-Pure Fluid Management Specialists

Locations Nationwide
